

For these earrings, you will be making a little beaded cluster and then gluing it into the bezel.

1. To make these earrings, please watch the video: [How to Make a Beaded Focal for a Bezel Setting](#). This video will show you all you need to know to make the beaded focal.
2. Place a dab of E6000 glue into your bezel setting and place the beaded focal into it.
3. Make your second earring the same way as the first. Let dry for 24 hours. Enjoy!
