

For this project, you will be making the center bead woven piece first and then placing your melon beads on either side of it (using a head pin) to create the main focal of the earring.

1. To make this pair of earrings, please watch the video: [How to Make a Czech Glass Beaded Earring Using 2-Hole DiamonDuo Beads](#). The video will walk you through the process, step-by-step, on how to make this design.
2. Make both earrings according to what you learned in the video. Enjoy wearing them!
