### Instructions

No tools required!

1. To make this ring, please watch the video on How to Make a Faux Druzy Ring.
2. Following what you learned in the video, put on your gloves and make a gumball sized amount of black Crystal Clay.
3. Set it into the recessed area of your Nunn Design antiqued silver ring bezel and spread it around, making sure to make a rounded dome.
4. Then begin adding on the crystals from your Beadelle Crystal Splash collection.
5. Add on enough crystals to cover the black Crystal Clay, and if you have any empty spaces, you can go back in and add extra crystals.

6. Allow the ring to cure overnight.

7. You're done!
