Project uses 1 tube

Recommended Tools:

[XTL-5511] The Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose

Instructions

1. Place a dab of E6000 glue on the back of a blue shade crystal flatback rhinestone and press it into the center of a 24mm silver plated snowflake pendant. Repeat with two more rhinestones and two 19.4mm snowflake pendants. Allow the glue to dry.

2. Use a silver plated 4mm, 21 gauge jump ring to hang the larger snowflake pendant from a silver plated snake chain necklace.
3. Open the loop on the bottom of a silver plated surgical steel earring hook and hang one of the smaller snowflakes. Repeat with a second hook to hang the second small snowflake.
