Instructions:

1. Insert a sterling silver 1', 22 gauge head pin into a 5mm light siam crystal bicone bead. Create a simple wire loop after the bead, and trim off the excess wire. Repeat twice.
2. Repeat step 1 twice using 5mm jet crystal bicone beads.
3. Lay your sterling silver charm bracelet out flat. Arrange the five crystal charms you made and the four sterling silver ace card charms along the bracelet evenly.
4. Use sterling silver oval jump rings to hang the crystal charms from the bracelet and use the included jump rings to hang the card charms from the bracelet.
