Instructions

Finished size: approximately 7 inches. Add or remove beads from each strand to change the finished length.

1. Before you begin, watch the instructional video: How to Make a Party Bead Multi Strand Bracelet. This video will demonstrate the process of making this bracelet.
2. Cut five 10" lengths of fine Soft Flex beading wire.
3. Following the instructions in the video, attach one end of a piece of wire to the first loop on one side of the clasp using a silver plated thread and wire protector and a crimp tube. String 26 neon pink Czech glass party beads, then attach the loose end to the first loop on the other side of the clasp in the same manner as the first.
4. Repeat with your remaining lengths of wire in the other 4 colors of beads.
