### Instructions:

1. Onto fourteen headpins thread the following: a 4mm round gold bead, a glass bell (seven green, seven red), and a bead cap.
2. Create a simple loop on each headpin and trim off excess wire.
3. Onto thirteen more headpins thread a single 4mm round gold bead.
4. Create a simple loop on each of these and trim off excess wire.
5. Cut a piece of chain about seven inches long (you may make it longer or shorter depending on how you would like your bracelet to fit).
6. Open one 7mm jump ring and one 3mm jump ring.
7. Thread the 7mm jump ring through the last link at one end of your chain and close the jump ring once more.
8. Thread the 3mm jump ring through the last link at the other end of the chain and through the loop on your lobster clasp. Close the jump ring.
9. Open the loops on each of the headpin dangles and add them to your chain, alternating red and green bells with a gold round bead dangle in between each. Close all loops.
