Czech Fire Polish Glass Beads 8mm Round Cobalt Blue (25)

SKU: BCP-3857
Project uses 5 pieces

Soft Touch Best Beading Wire .024 Inch 30Ft Soft Flex

SKU: XCR-5423
Project uses 1 foot

Instructions:

1. The overall length of this bracelet is approximately eight inches long. If you would like to adjust the length, feel free to omit or add a bead. Begin by cutting a length of Soft Touch beading wire at one foot long. Secure one end with a Bead Stopper.
2. Thread the following onto the strand:
 - o A sterling silver sparkle bead, a red bead
 - o a white bead
 - o and a blue beadRepeat this pattern a total of five times, adding an additional sterling silver sparkle bead at the end.
3. String a crimp tube onto either end of the strand, but do not crimp them yet.
4. Thread each end of the strand through a split ring, back through the crimp tube, pull snug and crimp the tube.
5. Add a silver sparkle crimp bead cover over the top of each crimp tube and gently squeeze shut. Trim off excess wire.
6. To one end of the bracelet, add the loop part of the toggle clasp. Add the bar part of the clasp to the other end of the bracelet.
7. Open a 6mm open jump ring and add it to the sterling silver star charm. Open the jump ring on the American flag charm. Add both charms to the loop part of the toggle clasp and close the jump rings again.
