SKU: BCS-1161

Project uses 48 pieces

G S Hypo Cement Precise Applicator Essential!

SKU: XTL-1001

Project uses 1 piece

Instructions

Watch our video on how to create a stretch bracelet here! Just a note of precaution: When using certain beads on stretch cord, such as Swarovski crystal, be aware that the sharp edges can eventually wear down and possibly damage the cord to the point of breakage. It would be wise to re-string the bracelet every year or so, depending on how frequently it is worn.
