Instructions

These instructions will give you a bracelet that is 7 inches. To adjust the length, adjust the pattern accordingly. Before beginning this project please watch the video: [How to do Peyote Bead Weaving with Various Sizes of Beads.](#)

1. Cut off a length of beading thread. Use a length that you are comfortable working with. As you work you will have to tie off and weave in new thread.
2. Follow along with the pattern, starting with the top right. The colors correspond with the various sizes of beads for this design.
3. To attach the clasp, please watch the video: [How to Attach Tube Clasps to Peyote Bead Weaving.](#)
4. Tie off and weave in all threads.

5. All done!
