Project uses 1 piece

Instructions

If you are unfamiliar with Crystal Clay, please watch our video here.

1. Pinch off about a pea size of part A and a pea size of part B of Crystal Clay.
2. Mix equal parts A and B, as you learned in the video until there are fully mixed.
3. For the next step, watch our quick tip video: How to give your Cabochon a Boost using Crystal Clay.
4. Add the ball of clay to the bezel cup. Use the cabochon to press down until you have the cabochon at the level you desire.
5. Let the clay dry and cure in an upright position for at least 24 hours.
6. All done!
