

Becca Bracelet

Project B2141

Designer: Kat Silvia

This multi-strand bracelet showcases the use of the Nunn Design Ribbon Cord Ends. We show you how to use ball chain and cup chain to create this simple and elegant bracelet. This is a wonderful technique that you can personalize to suit your own style.

Instructions

These instructions will give you a bracelet that fits a 7" wrist. To adjust the length, adjust the length of each chain accordingly.

1. Please watch our video: How to Make a Bracelet Using Nunn Design Ribbon Cord Ends.
2. Cut the silver and gold ball chain into 6 inch pieces.
3. Cut the black cup chain into 6 inch pieces.
4. Cut off 6 inches of turquoise cup chain.
5. Slide the ends of the chains into the ribbon end in this order, gold ball chain, silver ball chain, black cup chain, turquoise cup chain, black cup chain, silver ball chain, and gold ball chain.
6. Take your chain nose pliers and bend the end on the ribbon cord end closed.
7. Repeat on the other side of the chains. Loading them in the same order.
8. Open one small jump ring, attach it to the loop of the cord end and to the lobster clasp. Close the jump ring.
9. Move to the other side of the bracelet, open one small jump ring and attach it to the loop of the cord end and to a larger jump ring. Close the jump ring.
