[XTL-5608] Xuron 4 In 1 Crimping Pliers - Works On 1, 2 And 3mm Crimps!, [XTL-5600] Xuron

Sharp Flush Cutter Pliers - Wire/Soft Flex, [XTL-3000] Bead Stopper- Stop Beads Sliding Off

Stringing Material

## Instructions

These instructions will give you a bracelet that is 6.25". To modify the size, simply add or subtract the number for floral units respectively.

1. Begin by cutting off about 12 inches of beading wire. Place a bead stopper 2 inches from one end.
2. String on beads in this order: 1 round druik, 1 gold flower, 1 hematite flower, and 1 silver flower. Repeat this pattern 20 more times and end with 1 more round druik.
3. String on one crimp tube and one end of the magnetic clasp. Thread the wire back through the crimp tube and pull snug. Crimp the crimp tube. Trim the wire and add a crimp cover.
4. Move to the other side of the bracelet, remove the bead stopper and repeat the above step to add the crimp tube, clasp and crimp cover.
5. All done!
