Instructions

Please watch our video: How to Make a Memory Wire Bracelet with Tweedy Beads. In this video you will see the basic design of a memory wire bracelet.

1. Begin by making a simple wire loop at one end of the memory wire bracelet.
2. Then string on the beads in this order: 1 silver bead, 1 Druzy, 1 silver bead, 1 Druzy, 1 silver bead, 1 Druzy, 1 silver bead, 1 Druzy, 1 silver bead, 1 Druzy, and 1 silver bead. Then string on 1 noodle bead followed by 1 silver bead, 1 lava, 1 silver bead, 1 lava, 1 silver bead, 1 lava, 1 silver bead, 1 lava, 1 silver bead, 1 lava, and 1 silver bead. String on one more noodle bead and repeat the pattern five more times, finishing with the final silver bead without adding the last noodle bead.
3. Finish by cutting the end with about 1/4" of slack then making another simple wire loop.
