Recommended Tools:

[XTL-5600] Sharp Flush Cutter Pliers - For Cutting Beading Wire, 1 Piece

Instructions

This bracelet is an adjustable 6.5 inches to 8.5 inches. To modify the length, simply adjust length of chain respectively.

1. Begin by cutting 3 lengths of crystal cup chain and 2 lengths of pearl cup chain; 39 cups each.
2. Slide in the end cup of each chain starting with the rhinestone and alternating with the pearl cup chain.
3. Bend the other end of the slide end to close it.
4. Move to the other side of the bracelet and repeat with the other end of the clasp. Close the clasp and you're all done!
