Instructions

The beaded pattern measures 6.25 inches. Wearing the adjustable clasp on the smallest setting will give you a 7 inch bracelet and go up to a 8.75 inch bracelet at the largest setting. If you would like a smaller bracelet, please adjust the beading pattern accordingly. You will also need a toothpick or scrap of wire for this project.

1. To see how to complete this project from start to finish, please watch our video: How to Make the Beaded Loom Bracelet Kits by Beadaholique. In this video you will see how to set up your Jewel Loom, follow along with the pattern and finish the bracelet. Please see our Printer Friendly PDF for Full Color Beading Pattern. We recommend waiting at least 24 hours before wearing to allow the glue to fully set.
