## Instructions

This design measures approximately 6.5 inches. To modify the length, simply adjust the number of beads strung.

1. Begin by cutting off 10 inches of wire and placing a bead stopper on one end.
2. String the beads in the following order, starting and ending with one seed bead and one seed bead in between each rondelle: 4 pacific opal, 4 chrysolite opal, 4 light rose, 4 rosewater, 4 white opal.
3. String on one crimp tube and thread the wire up and over a wire protector. Add one closed jump ring before threading the wire back through the crimp tube. Pull until snug and crimp the crimp tube. Trim any excess wire. Add a crimp cover.
4. Move to the other side of the bracelet and repeat the above step, adding a lobster clasp instead of the jump ring.
