### Instructions

1. To see how to complete this project from start to finish, please watch our video: [How to Make a 4 Strand Braided Friendship Bracelet using Waxed Cord](#). From what you learned in the video, cut your four strands of waxed cord and follow along with the instructions in the video. As seen in the video, you can finish it with a double overhand knot. If you'd like to finish it with a sliding square knot you can see an example of that in this video [here](#).
