Instructions

This design measures approximately 6.5 inches. To modify the length, simply adjust the number of beads strung.

1. To see how to complete this project from start to finish, please watch our video: How to Make the Midnight City Bracelet. In this video you will learn how to create a strung bracelet design using gemstone beads and metal beads and how to hang a large charm in the center. You will also see how to finish this design using the magical crimping pliers with magical crimps to attach a magnetic clasp for easy wear.
