Instructions

You will also need a lighter for this project. Please use caution and adult supervision when using the lighter.

1. To see how to complete this project from start to finish, please watch our video: [How to Make a Multi Wrap Beaded Macrame Square Knot Bracelet Using Brazilian Waxed Cord](#). In this video you will see how to add a button, how to make macrame square knots, how to add a row of beads in the center and how to complete this multi wrap bracelet.
2. For this design, you will cut 2 lengths of cord: one 2 feet, and one 8 feet. Then follow along with the instructions in the video to make this a double wrap instead of a triple wrap.
