Instructions

No tools required!

1. Your bracelet has 2 smart beads already attached: one close to the lobster clasp and one close to the other side. Slide the smart bead near the non-lobster clasp side off of the bracelet. Set aside for now.
2. Slide onto your bracelet these Swarovski BeCharmed beads in the following order: one round slim bead, one rondelle, one 13mm square bead, one rondelle, one 14mm square bead, one rondelle, one round slim bead, one rondelle and one 13mm square bead.
3. Slide the smart bead that you removed in the first step back onto the bracelet. Look at your beads and make sure they are centered on the bracelet, if they are not, just scoot them and the smart beads into the position that you want.

4. Your bracelet is done.
