Instructions

You will need a paint brush for this project.

1. Using your paint brush, apply a coat of Verdigris Teal Vintaj patina into the bezel setting of your Nunn Design triangle charm. Set aside to dry while you continue.
2. Onto a head pin, slide 1 Czech fire polish Aqua bead and create a simple wire loop. Snip off excess wire using your flush cutters. Repeat this process and make a second Aqua bead dangle.
3. Repeat this process and create 2 Turquoise Czech glass melon bead dangles. Set aside.
4. Open a jump ring using your chain nose pliers and slide on the loop from 1 Aqua bead dangle, 1 Turquoise bead dangle and 1 Nunn Design seahorse charm. Before closing, slide it onto the first loop on the left side of your Nunn Design bangle and close. Refer to the photo for assistance.
5. Next, open another jump ring, slide on the loop from your Nunn Design sand dollar charm and slide it onto the second loop on the left side of your bangle and close.
6. Open a jump ring and slide on the loop from your second Aqua bead dangle and attach it onto the bottom bar of your bangle mid section and close.
7. Open a jump ring, slide on the loop from your Nunn Design starfish charm and attach it to the first loop on the right side of your bangle and close.
8. Open a jump ring and slide on the loop from your patinated triangle charm and attach it to the second loop on the right side of your bangle and close.
9. Open one last jump ring and slide on the loop from your second Turquoise melon bead dangle and also slide it onto the second loop on the right side of your bangle and close.
10. That's it!
