Instructions

Cut a piece of chain (CHA-9800) 7 inches in length (or the appropriate size for your wrist). Open the small jump ring (FJR-3054). Slide on the lobster clasp (FCL-2515). Close jump ring. Open the jump ring on one of the tree light charms. Link it on to the 3rd link from the lobster clasp. Close jump ring. Count every 4 links and link on one of each of the tree light charms until they are all on the chain. You can't go wrong with the order of the colors. You're finished! Please refer to photo for more detailed information about this project.
