

Embossed Floral Cuff

Project B651

Designer: Julie Bean

A pretty flower pattern has been embossed into the Lillypilly copper sheet used for this fetching cuff bracelet project. This project is very easy to do and would make an excellent gift for someone special.

Instructions

Note: you will also need several rubber bands or hair bands for this project.

1. To start this project, please watch the video: How to Cover a Brass Cuff in Lillypilly Copper Sheets.
2. From what you learned in the video, adhere your copper sheet to your brass cuff using E6000 glue as shown in the video.
3. Place the bands over the cuff to hold the copper sheet in place. Let dry.
4. Remove the bands and trim your copper sheet as shown in the video.
5. All done!
