Instructions:

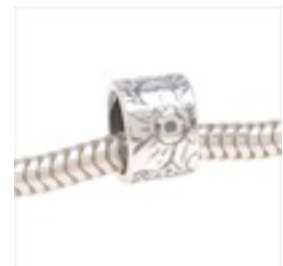

No tools required!

1. Your bracelet has 2 smart beads already attached: one close to the lobster clasp and one close to the other side. Slide the smart bead near the non-lobster clasp side off of the bracelet. Set aside for now.
2. Slide onto your bracelet the SWAROVSKI ELEMENTS BeCharmed beads in the following order: 1 baguette pave bead in aquamarine, 1 pearl in creamrose, 1 square pave bead in aquamarine, 1 pearl in creamrose, 1 helix bead in aquamarine, 1 pearl in creamrose, 1 pave bead in aquamarine, 1 pearl in creamrose, and another baguette pave bead in aquamarine.
3. Slide the smart bead that you removed in the first step back onto the bracelet. Look at your beads and make sure they are centered on the bracelet, if they are not, just scoot them and the smart beads into the position that you want.

Variations

For a variation on this project, choose some pretty sterling silver beads to put on the bracelet in place of the creamrose pearls.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
