Instructions

No tools required!

1. Your bracelet has 2 smart beads already attached: one close to the lobster clasp and one close to the other side. Slide the smart bead near the non-lobster clasp side off of the bracelet. Set aside for now.
2. Slide onto your bracelet the Swarovski BeCharmed beads in the following order: 1 baguette pave bead in crystal, 1 crystal rondelle, 1 pave bead in crystal, another crystal rondelle, 1 helix bead in crystal, 1 another crystal rondelle, 1 square pave bead in crystal, another crystal rondelle, 1 briolette bead in crystal, another rondelle, another pave bead in crystal, another crystal rondelle, and another baguette bead.
3. Slide the smart bead that you removed in the first step back onto the bracelet. Look at your beads and make sure they are centered on the bracelet, if they are not, just scoot them and the smart beads into the position that you want.
