

Seaside Bracelet

Project B7035

Designer: Rachel Zaimont

Gold TierraCast charms depicting ancient coins and a lone seashell resemble sunken treasure washed up on a beach. A simple and fun summer project.

Wire/Soft Flex

Instructions

These instructions will make a 6 1/2 inch bracelet. For a longer or shorter bracelet, adjust the length of chain used.

1. Using flush cutters, cut a 6 inch length of gold chain.
2. Open a 4mm jump ring. Slide it through the loop of the seashell charm and also through a link of chain at the center of the bracelet. Close the jump ring.
3. Open another 4mm jump ring. Slide it through the hole of one coin charm and attach it to the bracelet 1 inch to the left of the seashell. Close the jump ring.

4. Open another 4mm jump ring. Slide it through the hole of one coin charm and attach it to the bracelet 1 inch to the left of the coin from the previous step. Close the jump ring.
5. Open another 4mm jump ring. Slide it through the hole of one coin charm and attach it to the bracelet 1 inch to the right of the seashell. Close the jump ring.
6. Open another 4mm jump ring. Slide it through the hole of one coin charm and attach it to the bracelet 1 inch to the right of the coin from the previous step. Close the jump ring.
7. Open another 4mm jump ring. Slide it through the loop of the clasp, and attach it to the last link of chain on one end of the bracelet. Close the jump ring.
8. Open a 6mm jump ring. Attach it to the last link of chain on the other side of the bracelet. Close the jump ring.
9. Enjoy your bracelet!
