Instructions

These instructions will make a 6 inch bracelet. Due to the sizing of Regaliz corduroy cord, your bracelet will be as large as the number of inches of cord you use. For a longer or shorter bracelet, adjust the number of inches of Regaliz corduroy cord you purchase.

1. Separate the two halves of your snake-shaped hook-and-eye clasp. Place a few drops of Super New Glue into the well of half of the clasp. Insert one end of your length of Regaliz corduroy cord and let it dry for a few minutes.
2. Repeat step 1 to attach the second half of the clasp to the other end of the cord.
3. Enjoy your bracelet!
