[XTL-6136] Wrapit Professional Series Duo, Bracelet Beading Loom with 2 Tracks, [XTL-5614]

BeadSmith Tools, Thread Snips 4.25 Inches Long, 1 Piece

Instructions

These instructions will make a 6 inch bracelet. To adjust the length of your bracelet, size the leather cord to your wrist and adjust the number of gemstone beads you weave into the bracelet. For a longer bracelet, you will need to purchase an additional strand of gemstone beads.

1. To begin, please watch our video on how to use the Wrapit Loom Professional Series Duo. In this video you'll see how to set up your loom, how to size

your leather cord and add your TierraCast button, and how to attach your Griffin Silk thread to begin weaving your bracelet.

2. In your first row, add 1 8/0 demi round. In your second row, add 2 8/0 demi rounds. In your third row, add 3 8/0 demi rounds. In your fourth row, add 1 8/0, 2 11/0, and 1 8/0 demi round. In your fifth row, add 1 8/0, 3 11/0, and 1 8/0 demi round. In your sixth row, add 1 gemstone bead.

3. Next, watch our video on how to space out round beads with Toho demi rounds on the Wrapit Loom. In this video you'll see the bead pattern to use to weave the body of your bracelet.

4. To end your bracelet, repeat the progression of beads in step 2, in reverse.

5. Tie off your thread and glue your knots as shown in the video in step 1. Enjoy your bracelet!
