

Mayan Revival Cuff in Coral and Hematite

Project B711

Designer: Julie Bean

This bracelet has a distinctive Art Deco feel to it with its pyramid and stepped pattern. These elements also are characteristic of Mayan artwork and the bracelet ends up being a wonderful mix of deco and Mayan design.

Instructions

For this project you will also need a scrap piece of wire or toothpick to use as an applicator for your glue.

1. This project features a bead woven design glued onto a brass cuff. Before you begin the project, fit the brass cuff to your wrist by placing it on the wrist and squeezing until it is comfortable. Make sure you can still easily remove it.
2. The video How to Make the Mayan Revival Cuff Bracelet demonstrates how to make this bracelet from start to finish. Please watch the video for the full instructions.
3. Make the bracelet according to the instructions in the video and then let dry overnight. Enjoy!
