

## Plumeria Memory Wire Bracelet

### Project B762

*Julie Bean*

A lovely plumeria charm adds the finishing touch to this easy-to-make memory wire bracelet. The beads featured are sparkly Czech Fire Polished glass beads in an aqua orange rainbow finish. Use the same beads as pictured in the project or choose your favorite color and finish.

Cutting Pliers -Strong & Easy

## Instructions

Please note, you will only want to cut memory wire with memory wire cutters. It is a very tough metal and can damage scissors or regular cutters.

1. To make this project, please start by watching the video: [How to Make a Memory Wire Bracelet using Czech Fire Polished Glass Beads.](#)
2. In the video you will learn how to finish the memory wire ends by creating a simple wire loop on each end using round nose pliers. You will also see how to string on your beads and how to open and close a jump ring to attach the charm.

Tip: The plumeria charm used in this project already comes with a jump ring attached!
