Instructions

This bracelet can be easily adjusted to fit any size wrist using the chain the makes up part of the clasp.

1. To make this bracelet, please watch the video: [How to Make a Multi-Strand Bracelet using Czech Glass Beads.](#)
2. In the course of this video you will learn how to use Bead Stoppers, how to string beads onto beading wire, how to crimp a crimp bead, how to use a strand reducer, and how to use crimp bead covers. You will also learn how to take a cut piece of chain and turn it into the other half of a clasp when using a lobster or spring ring clasp.
3. With the techniques taught in the above video, you can make a wide range of other strung projects using a variety of strand reducers.
