

Hallows Eve Bangle

Project B8035

Alexandra Smith

The spirit of Halloween is reflected in this glistening Crystal Clay bangle. Swarovski Crystal Skull Flatback Rhinestones are set with a festive array of orange and green chatons against a night-black background.

SKU: JB-2662

Project uses 1 piece

Recommended Tools:

[XTL-4004] Beadsmith Magical Rhinestone Pick Up Tool With Cleaning Kit - Great For Placing Flatback Rhinestones

Instructions

If you are new to Crystal Clay, please watch the video: How to Use Crystal Clay. Gloves are recommended when working with Crystal Clay.

1. Take equal parts of both Part A and Part B of the Crystal Clay (about 1/4 inch of each to form a ball that is a little larger than 1/2 inch around). Mix the two parts together in your hands until there is one uniform color with no marbling.
2. Press your mixed clay into the channel of the bangle. Gently smooth out any fingerprints by running the tip of your finger lightly over the surface.
3. Place eight chrome Swarovski Crystal Skull Flatback Rhinestones evenly spaced around the bangle, oriented in the same direction (see photo for reference). Gently press the skulls into the clay.
4. You may want to watch our video, How to Use Crystal Clay with Swarovski Crystal Chatons. Place eight tangerine ss24 chatons evenly spaced between each skull and gently press them into the clay.
5. Take a Magical Pick Applicator, or the beeswax tipped toothpick included with your Crystal Clay, and place eight emerald pp10 chatons evenly spaced in

the remaining sections between each skull and tangerine chaton (see photo for reference).

6. Let the clay cure for 14 to 16 hours. Enjoy your bangle!
