## Instructions

These instructions will make a 6.5 inch bracelet. For a longer or shorter bracelet, choose your desired lengths of gemstone chain and braided cork cord respectively. Note: For a longer bracelet, you will need to purchase more gemstone chain and braided cork cord. We recommend using an extra 2 inches of cork cord and gemstone chain in the design process, to allow for cut links and sizing flexibility. You will also need a toothpick or scrap of wire to complete this project.
