### Instructions:

1. Measure a 1.5" length of silver plated curb chain and open the last link to separate it from the rest. Close the link.
2. Open an 8mm, 18 gauge silver plated jump ring and place a vintage lucite chessboard drop pendant onto it, then one end of your chain piece. Close the ring.
3. Open a second jump ring and place the loose end of the chain onto it. Then place a rhodium plated oval key ring into the jump ring and close it up.

### Variations

Choose your favorite shaped key ring and lucite pendants to create a keychain that's just for you!

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
