Instructions:

1. Choose your favorite images from a Japanese motif 35mm round collage sheet. Place a 1" round epoxy sticker where desired on each of the images that you've chosen.
2. Carefully cut around the epoxy stickers, making sure you don't cut the edge of the sticker.
3. Place a thin layer of Crafter's Pick glue onto the back of your images and press them into place on the back side (the raised up side) of 8 purple flower bottle caps. Allow the glue to dry.
4. Flip your bottle caps over. Place a dab of E6000 glue into the center of the bottle caps and press a 3/4" ceramic disk magnet into place. Allow the glue to dry thoroughly before using.

Variations
