## Instructions

1. Cut five lengths of chain: 1", 3/4", 1 1/4", 1/2", and 7/8".
2. Open one jump ring and attach it to the end of the 1 1/4" length of chain and to the key charm. Close the jump ring. Attach one jump ring to the other end of this length of chain. Close the jump ring.
3. String on one baroque bead, large side first, on to one head pin. Make a simple wire loop. Repeat for three more baroque beads.
4. Open the simple wire loop of one baroque bead head pin, same as you would a jump ring, and attach it to the 1" piece of chain. Move to the other side

of this length of chain and attach another jump ring. Repeat for the remaining lengths of chain.

5. Once you have all your chains ready, open the jump ring attached to the book mark and add them in this order: 1", 3/4", 1 1/4", 1/2", and 7/8". Close the jump ring.
