### Instructions

Please note this garland will be 4 feet, 3 inches in length. If you would like a longer strand of garland you will need to purchase additional packages.

1. Begin by opening one jump ring. Attach it to one crystal pendant and one emerald link. Close the jump ring. Move to the other side of the emerald link and attach one ruby link in the same manner. Then attach one crystal link to the ruby link.
2. Repeat the above process to link them all together using the pattern: emerald, ruby, crystal. Once you have added 18 emerald and 18 ruby, finish off with one crystal pendant.
