

## Butterfly Paperweight

Project C637

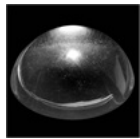

Designer: Julie Bean

The lovely butterfly image below the glass dome cabochon is magnified beautifully in this easy-to-make paperweight project. As a finishing touch, a soft velour paper has been applied to the backside of the dome.

2. This entire project is shown from start to finish in this video.

These would make great gifts or to sell at craft fairs!

### Variations

Choose from a wide variety of images to use with these domes. Don't forget to pick out a complimentary backing paper if the image you choose is too small for the dome.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
