Instructions

In addition to the materials listed below, you will also need a toothpick.

1. Please watch the video: How to Make the Gemini Zodiac Purse Hanger. Using what you have learned in the video, measure, cut and glue your desired image into the bezel of your purse hanger. Let the Diamond glaze dry for about 15 minutes, until hard and clear.
2. Using flush cutters, cut 3.25 inch of 2mm ball chain (25 balls).
3. Apply another layer of Diamond Glaze over the top of the image and carefully set your chain into the glaze around the edge of the bezel, framing your piece. Let the glaze dry for 3 hours, until hard and clear. Enjoy your purse hanger!
