Instructions

1. To begin this project, cut 4 inches of chain. If you want a longer purse charm, cut a longer piece of chain.
2. Please watch the video: How to Finish Zola Elements Tassels for Jewelry. In the course of the video you will learn how to finish the tassel and connect a jump ring to it.
3. After you have your tassel ready, open a 4mm jump ring and attach it to the cut chain. Close the jump ring.
4. Open another 4mm jump ring and link it to the other end of the chain as well as the lobster clasp. Close the jump ring.
5. Finally, open the jump ring that comes on your charm and link it to a chain link on your purse charm, about an inch above the tassel. Close the jump ring.
6. All done!
