Instructions

Remember to double these instructions to make your matched pair of earrings.

1. Insert a 1", 22 gauge sterling silver head pin through one jet 8 mm Swarovski Crystal cube bead, then through one 8 mm silver plated Squaredelle spacer bead with jet czech crystals, then through one jet 6 mm Swarovski Crystal Rondelle spacer bead.
2. Create a simple wire loop after the Swarovski Rondelle spacer bead.
3. Use the wire loop you have just created to attach the beads to one of the 16 mm sterling silver leverback earrings.
