Instructions:

Remember to double these instructions to create your matched pair of earrings.

1. Take a 3", 21 gauge silver plated ball head pin and place onto it a 3mm air blue opal Swarovski bicone bead, a silver plated twisted tube bead, another bicone bead, another tube bead, another bicone bead, another tube bead, and another bicone bead.
2. Make a simple wire loop above the last bicone bead.
3. Repeat steps 1 and 2 three more times.
4. Take a 2", 21 gauge silver plated eye pin and place onto it a bicone bead, a tube bead, another bicone bead, another tube bead, and another bicone bead.
5. Create a simple wire loop above the last bicone bead.
6. Open the loop on one end of the eye pin and hang a silver plated pewter pegasus charm from it, then close it back up.
7. Place two bicone beads onto another eye pin and create a simple wire loop after the beads.
8. Place one bicone bead onto another eye pin and create a simple wire loop after the bead. Repeat once.
9. Hang the eye pin the the pegasus bead from the eye pin with two bicone beads. Hang this from the center loop on a silver plated pewter 3-strand classic reducer bead bar.
10. Hang one of the head pins with beads from one of the eye pins with one bicone bead. Repeat with a second head pin and the other eye pin. Hang these to either side of the first piece on the center loop of your reducer.
11. Hang the two remaining head pins with beads from the side loops on either side of the reducer.
12. Open the loop on a silver plated long elegant earring hook and hang the earring from the loop, then close it back up.
