Instructions:

1. Open all of your packages of lucite chrysanthemum cabochons and flip them all over so that the flat backs are up.
2. Place a dab of E6000 glue onto the glue on pads on your silver plated earring posts and press them into the center of each of the cabochons.
3. Allow the glue to dry thoroughly and then place the earring backs onto the posts.

Variations

Choose your favorite colors and styles of lucite flower cabochons to personalize the look of your earrings.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
