Instructions

Please remember to double these instructions to create your matched pair of earrings.

1. Watch the video: How to Make Brick Stitch and Fringe Beaded Earrings.
2. Following the instructions in the video, weave your first earring using size #3 bugle beads in metallic grape, size 11/0 seed beads in rainbow black diamond, and size 11/0 seed beads in galvanized starlight. Use the galvanized starlight beads on either end of the bugle beads and the black diamond beads in the middle.
3. Place a 22k gold plated 4mm, 21 gauge jump ring into the top bead on your earring. Place a 22k gold plated shepherd crook earring hook into the jump

ring and close the jump ring. Make sure that the earring hook is closed all the way.
