Instructions

Please remember to double these instructions to create your matched pair of earrings.

1. Watch the video: How to Make Brick Stitch and Fringe Beaded Earrings.
2. Following the instructions in the video, weave your first earring using size #3 bugle beads in opaque jet, size 11/0 seed beads in transparent crystal, and size 11/0 seed beads in galvanized aluminum. Use the transparent crystal beads on either end of the bugle beads and the galvanized aluminum beads in the middle.
3. Place a silver filled 4mm, 21 gauge jump ring into the top bead on your earring. Place a silver filled shepherd crook earring hook into the jump ring and

close the jump ring. Make sure that the earring hook is closed all the way.
