Instructions:

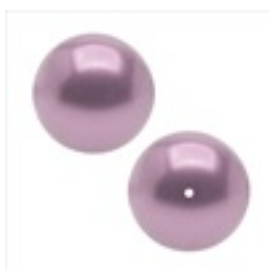

Please remember to double these instructions to create your matched pair of earrings.

1. Place a 10mm ivory crystal round faux pearl onto a 2", 21 gauge gunmetal eye pin, followed by a black finish pewter spiral cone bead cap. Create a wrapped wire loop after the bead cap.
2. Place a 7mm black finish pewter casbah bead onto a 1.5", 21 gauge gunmetal head pin and create a simple wire loop. Use the wire loop to hang the casbah bead from the bottom of the ivory pearl.
3. Open the loop on a gunmetal plated small earring hook and hang the earring from it; close the loop.

Variations

Choose components in your favorite metal finish with pearls or beads to match.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
