SKU: FEA-1014
Project uses 2 pieces

Specialized Tools

Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose

SKU: XTL-5511

Instructions:

1. Open the jump rings to separate four links of gunmetal plated crystal channel chain, leaving a jump ring on each end.
2. Place a gunmetal plated 1.5", 22 gauge head pin through an 11mm dark gray teardrop faux pearl and create a wrapped wire loop after the bead.
3. Open the jump ring on one end of the chain and hang the pearl drop from it; close the ring.
4. Use a gunmetal plated 4mm, 21 gauge jump ring to hang the other end of the chain from the loop on a gunmetal plated ball post earring. Make sure you have the included jump ring on the chain and a second jump ring here so that the channel chain hangs properly.
5. Place a gunmetal plated earring back onto the earring post.
6. Repeat steps 1 - 5 to create a second earring.

Variations

Choose your favorite channel chain with pearls to match and give your earrings a whole different feel.

When substituting in items, pay attention to sizes and styles to make sure all your pieces will fit together.
