Recommended Tools:

[XTL-5511] Beadsmith Jeweller's Micro Pliers Chain Nose Flat Nose, [XTL-5032] Beadsmith Wire Looping Pliers - Concave And Round Nose, [XTL-5600] Xuron Sharp Flush Cutter Pliers - Wire/Soft Flex

Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

For more beading projects and instructional videos, visit www.beadaholique.com.

1. Place a 4mm Siam Ruby Czech glass bead onto a head pin and create a simple wire loop about 3/4" from the top of the bead. Trim the excess wire.

2. Place another glass bead onto another head pin and create a simple wire loop about 1/2" from the top of the bead. Trim the excess wire.

3. Place a third glass bead onto a third head pin and create a simple wire loop about 1/4" from the top of the bead. Trim the excess wire.

4. Open the loop on an eye pin and place the three head pins with beads onto the loop; close the loop.

5. Onto this eye pin, place a lucite flower, the scroll bead cap, the petal beadcap, the daisy spacer, and a glass bead. Create a wrapped wire loop after the last bead. Trim the excess wire.

6. Open the loop on an earring hook and hang the earring by the loop you just created. Close the earring hook.
