Wire Looping Pliers - Concave And Round Nose, [XTL-5600] Xuron Sharp Flush Cutter Pliers

- Wire/Soft Flex

Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Onto a head pin place the following: 1 crystal CAL cube bead, 1 10mm dark moss green margarita bead, 1 8mm peridot margarita bead, 1 6mm crystal

clear margarita bead, and 1 crystal CAL bicone bead. Create a wrapped wire loop after the last bead.

2. Open the loop on an earring hook the same way you would open a jump ring. Hang the earring from the hook by the loop you created, and then close the earring.
